

Together, we can give kiwi a chance.

Every little bit counts towards creating a sustainable future for kiwi, so Millennium Hotels and Resorts have partnered with Save the Kiwi, giving you the opportunity to help protect our national icon.

By choosing to not have your room serviced during your event, the money saved will provide kiwi chicks a safe place to sleep and grow, helping them to reach the all important 'stoat-proof' weight of 1kg.

For every five rooms that are not fully serviced, we will donate one bed for a kiwi on behalf of your organisation at the Save the Kiwi crèche in Napier.
