Event Legacy

Do you like the idea of your event leaving a legacy? Knowing that your event can contribute to meaningful change in both the community and environment? Millennium Hotels and Resorts have partnered with Save the Kiwi, to give you the opportunity to help protect our national icon, while integrating manaaki (care and hospitality) into your next conference.

Save the Kiwi

Every little bit counts towards creating a sustainable future and that's why we're offering a unique way for you to contribute towards providing a meal for our national icon; the kiwi.

Choosing not to have your room serviced during an event helps us to conserve water and energy resources that will be redirected towards helping provide kiwi chicks a safe place to sleep and grow until they reach the all-important 'stoat-proof' weight of 1kg.

For every five rooms that are not fully serviced, we will donate one bed for a kiwi at the Save the Kiwi crèche in Napier on behalf of your organisation.

Activities & Attractions

From team building to partner and touring programs, our expert conference team can create the ultimate experience for your delegates. We offer you the best advice and assistance, all part of our exceptional service, ensuring your conference or event is a resounding success.

Aptly named 'The Adventure Capital of the World', nowhere else in the world are there so many things to do from one little resort town. Treat your delegates or incentive qualifiers to an adventure, be it mild or wild! Activities range from relaxed easy walks and spa pampering to scenic flights and adrenaline fuelled adventures. Enjoy a leisurely cruise aboard the TSS Earnslaw, a vintage steamboat or an exhilarating jet boat ride through narrow canyons at breathtaking speeds.
