Event Legacy

Do you like the idea of your event leaving a legacy? Knowing that your event can contribute to meaningful change in both the community and environment? Millennium Hotels and Resorts have partnered with Save the Kiwi, to give you the opportunity to help protect our national icon, while integrating manaaki (care and hospitality) into your next conference.

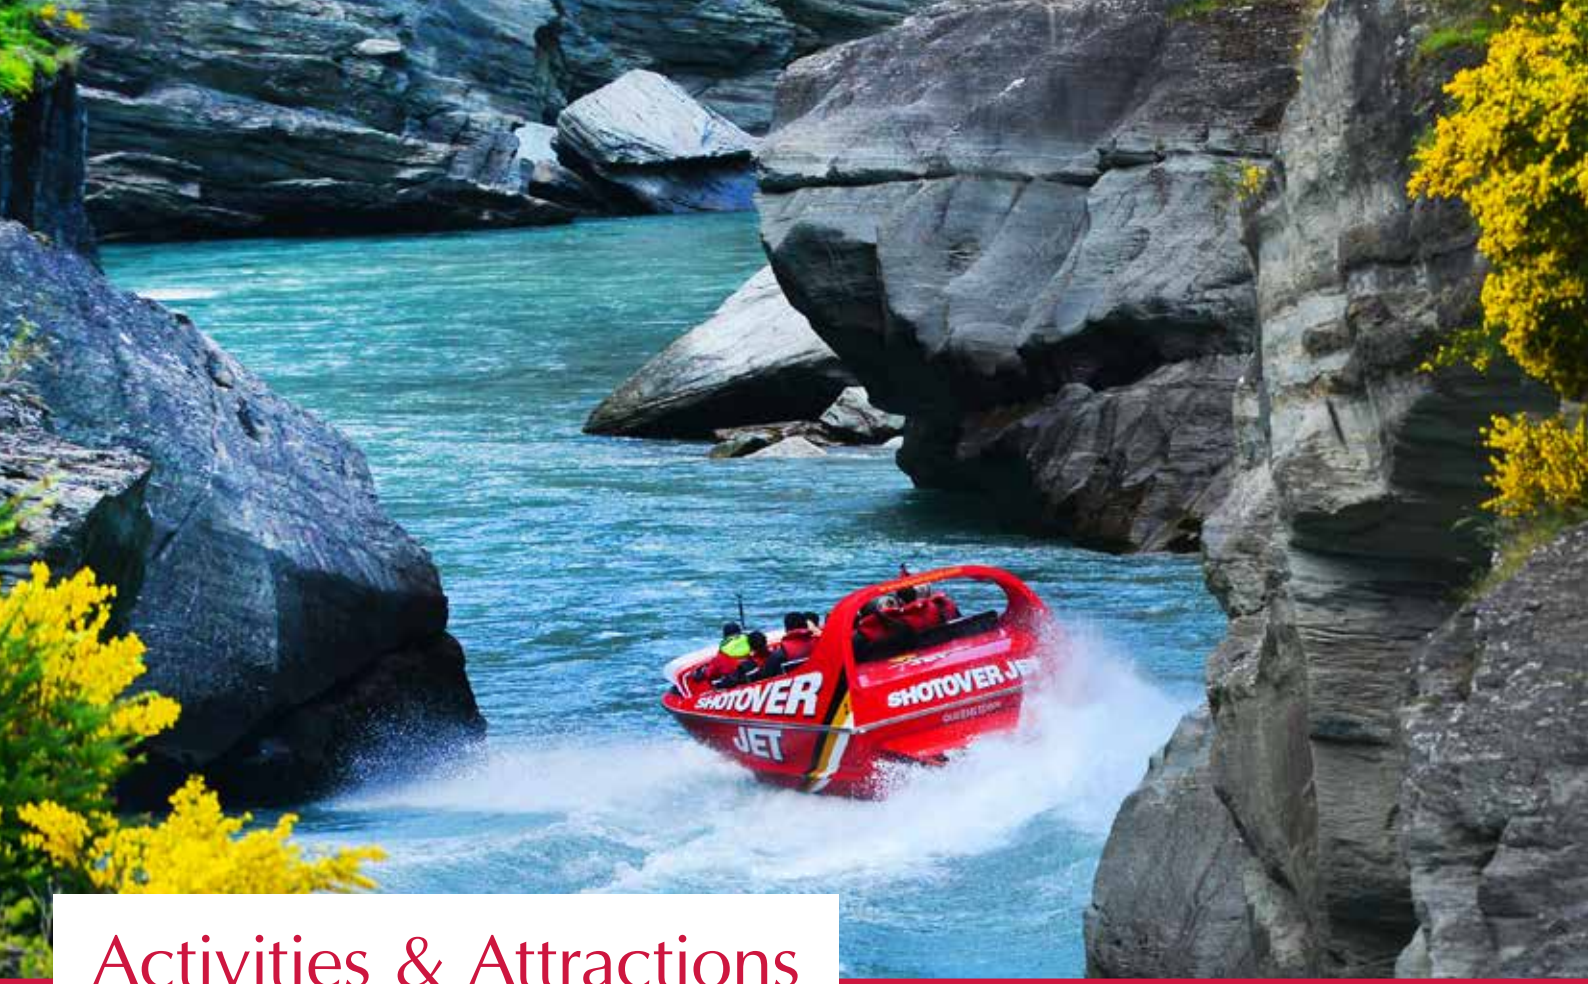

Save the Kiwi

Every little bit counts towards creating a sustainable future and that's why we're offering a unique way for you to contribute towards providing a meal for our national icon; the kiwi.

Choosing not to have your room serviced during an event helps us to conserve water and energy resources that will be redirected towards helping provide kiwi chicks a safe place to sleep and grow until they reach the all-important 'stoat-proof' weight of 1kg.

For every five rooms that are not fully serviced, we will donate one bed for a kiwi at the Save the Kiwi crèche in Napier on behalf of your organisation.

Activities & Attractions

From team building and partner programs to rewarding your top performers, we'll work with you to excite and motivate your delegates sending them home ready for the next challenge. From mild to wild, Queenstown has something to make every heart beat faster. Nowhere else in the world are there so many things to do in such close proximity to each other, from golf to jet boating, skiing to skydiving, revitalising to partying.

Surprise your delegates with an exclusive invitation to a boutique winery discovering the world's southernmost wine region. Delight your incentive qualifiers with a gourmet dinner in a remote high country setting or amaze them with scenic helicopter flights to 'off the planet bungee jumps' and adrenaline pumping jet boat rides through narrow canyons. The list of options is endless... visit the nearby historic gold mining township of Arrowtown, take a 4WD adventure into Skipper's Canyon, have an intimate encounter with New Zealand's most famous bird the kiwi, take a breathtaking ascent to the top of Bob's Peak for spectacular views over Queenstown and Lake Wakatipu, play a round of golf on one of the many international golf courses or visit the world heritage listed Fiordland National Park to see Doubtful and Milford Sounds.

Surrounded by majestic mountains and nestled on the shores of crystal-clear Lake Wakatipu, Queenstown's stunning scenery is inspiring and revitalising. Our expert conference team will create the ultimate experience for your group.
