Event Legacy

Do you like the idea of your event leaving a legacy? Knowing that your event can contribute to meaningful change in both the community and environment? Millennium Hotels and Resorts work with two great organisations; Save the Kiwi to help protect our national icon; the kiwi and Good Bitches Baking who spread kindness for those facing tough times.

Save the Kiwi

Every little bit counts towards creating a sustainable future and that's why we're offering a unique way for you to contribute towards providing a meal for our national icon; the kiwi.

Choosing not to have your room serviced during an event helps us to conserve water and energy resources that will be redirected towards helping provide kiwi chicks a safe place to sleep and grow until they reach the all-important 'stoat-proof' weight of 1kg.

For every five rooms that are not fully serviced, we will donate one bed for a kiwi at the Save the Kiwi crèche in Napier on behalf of your organisation.

Business Bitching

Looking for a volunteering and team building event that's not like most others? We've got you!

- Learn from a pastry chef.
- Bake some deliciousness.
- Spread some kindness.
- Have a great time.

Host your meeting in one of Grand Millennium Hotel Auckland meeting rooms with a scrumptious morning or afternoon tea, lunch and drinks, with a side of team building to break up the work.

During (or before or after!) your meeting, settle into the beautiful Millennium venue kitchen to bake something delicious with the help of one of their very clever pastry chefs. When the baking is done you'll quality check it and pack it up to be delivered to one of Good Bitches Baking's recipient organisations.

Activities & Attractions

Having the ultimate experience is one of the most effective ways to reward and inspire your delegates. Our conference team can enhance your whole meeting or conference experience with our innovative ideas and impeccable service tailored to suit your group and budget.
